

CAP APR

A two-years course

Polyvalent Agent in Food Service

This training course teaches the « know-how » In cooking and upkeep of the premises. The students also do self-service distribution. This CAP may lead to a Bac Pro in Food Service.

“I’d like to be a pastry chef”. Maxime

CAP ATMFC

A two-years course

Technical Agent in Family and Group Environment

« We learn a lot of things in cooking, laundry, upkeep of the premises. We spend 16 weeks in a company within two years. Afterwards we can continue in Bac Pro ASSP (Care services to Individuals).»
Chryslaure

« We work with elderly people at home or in public structures (retirement homes). It is a short training course and we learn a lot of things to help people. There are a lot of job opportunities

BAC PRO TERTIARY

A three-years course

Accompaniment and Care Services to Individuals (A.S.S.P.)

« I chose this course because I’d like to work with children or elderly people. There are 14 hours of vocational teachings...»

«There are a lot of applications for this course, a lot of girls.»

Commerce :
Learning techniques of sales

“I chose this course because I like the contact with people. We have a pedagogical store for the practice”.

Maxime

“We often work together, it’s easier to speak in front of the class” Thiphaine
