A short program of 2 years :
The C.A.P. (Certificate of Professional Ability)

A longer program of 3 years:
The vocational Baccalaureate (Bac Pro)

We learn theory, but above all a lot of practice, this is what I prefer. **Wilfrid 2°**

I do like what is manual. I feel myself better in the workshop and I succeed better. **Anthony 2° ELEEC**

In the Vocational School, the teachers encourage us and support us much more than in the secondary school.
Julie 2° ASSP

Vocational teaching represents **15 hours** in the schedule.
A personalized support for students.
Some training periods in a company (P.F.M.P.), several weeks spread on the whole duration of the program.

During the placement, we discover the world of work, we gain confidence and take initiatives.
