The image shows a screenshot of a Padlet board. At the top left, the word 'padlet' is visible. Below it, the user 'catherine_vanoli' is listed with 'un jour' next to it. The main title of the board is 'Parcours Nancy 1900 & Nancy 209 : Art Nouveau & métiers d'art', with a subtitle 'Déambulations urbaines du groupe de travail Nancy Centre - Journée des documentalistes - 28/11/2019'. The board is organized into three columns. The first column is titled 'Nancy 1900, Art Nouveau' and contains a pink box with the text 'Parcours de découverte dans Nancy...' followed by three bullet points: '- Élaborer une progression d'activité à destination de la classe de votre choix.', '- Proposer un mode de restitution réutilisable et transmissible.', and '- Déposer vos propositions sur ce Padlet pour pouvoir les partager'. Below this text is an image of a blue Art Nouveau architectural structure. The second column is titled 'Nancy 2019, métiers d'art' and contains an identical pink box with the same text and bullet points. Below this text is an image of hands working on a wooden object, likely a craft. The third column is titled 'Et encore d'autres parcours...' and contains a white box with the text 'L'histoire de Nancy par ses plaques de rue' and a red link: '<http://nancybuzz.fr/category/culture/histoire-de-rues/>'. Below this text is an image of a street sign that reads 'RUE DU Maure qui Trompe'. At the bottom of this column, the text 'Nancy Art Déco' is visible.
