Losan

Consigne :

Prenez l'enveloppe de Losan.

Il y a **7 formes géométriques par niveau.**

Vous devez **toutes les placer dans la grande forme représentée.**

Attention, vous n'avez pas le droit de les superposer.

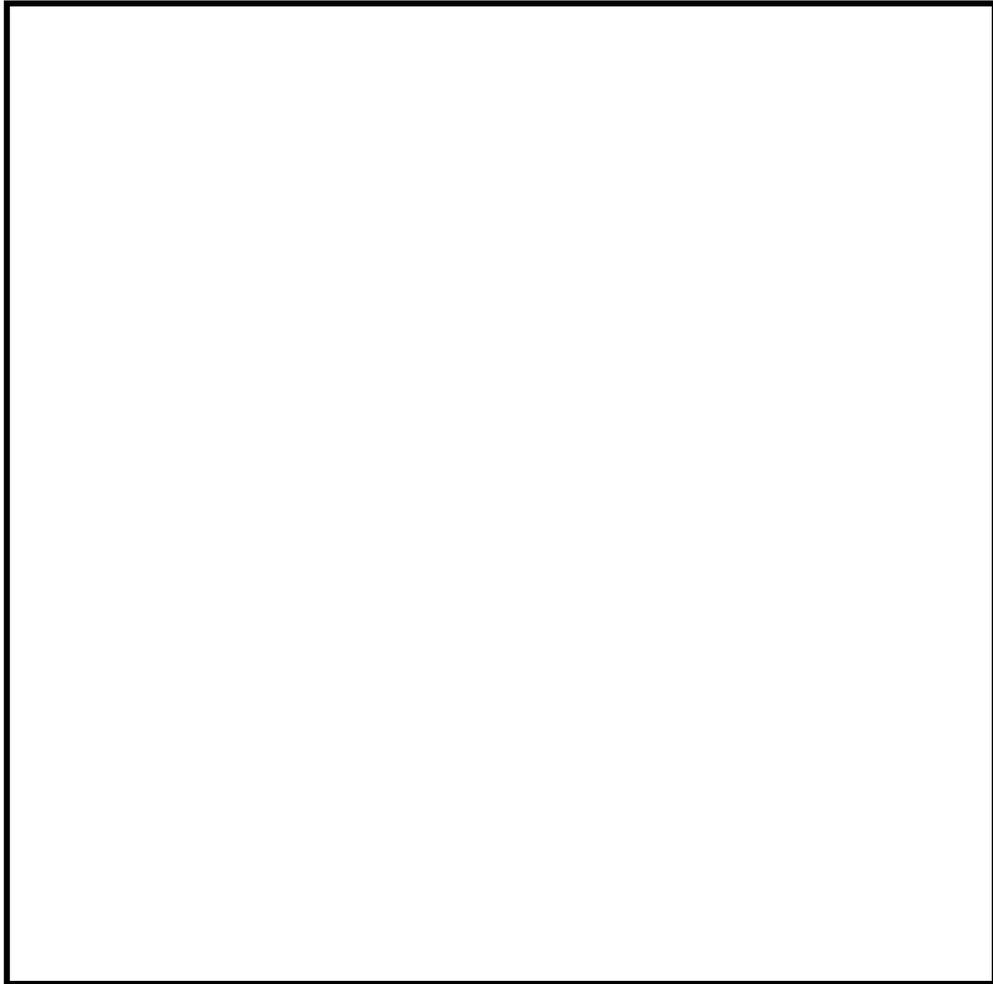

Une fois que vous avez placé correctement les 7 pièces, collez-les.

Lorsque vous pensez avoir réussi tous les niveaux, un élève ira voir votre enseignant qui lui donnera **une lettre pour le code de sortie.**
