

## CALCUL MENTAL 7 : Les compléments à 10 : Soustraire un nombre à 10

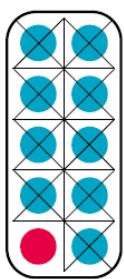

$$10 - 6 = 4$$

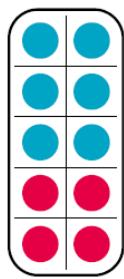

$$10 - 7 = 3$$

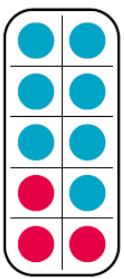

$$10 - 8 = 2$$

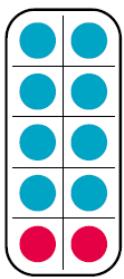

$$10 - 9 = 1$$

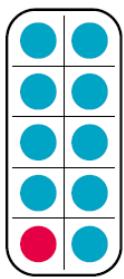

$$4 + 6 = 10$$

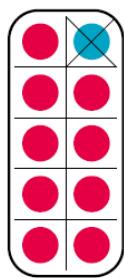

$$3 + 7 = 10$$

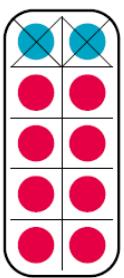

$$2 + 8 = 10$$

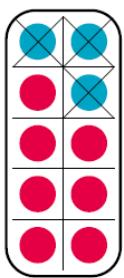

$$1 + 9 = 10$$

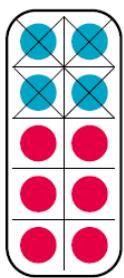

$$10 - 1 = 9$$

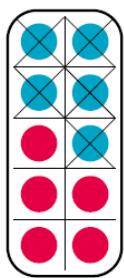

$$10 - 2 = 8$$

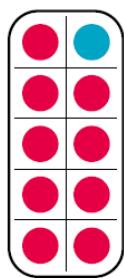

$$10 - 3 = 7$$

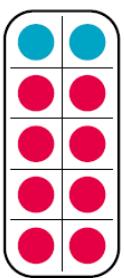

$$10 - 4 = 6$$

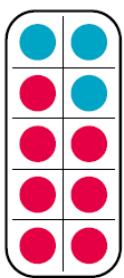

$$10 - 5 = 5$$

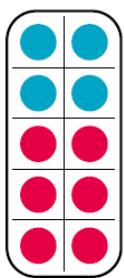

$$9 + 1 = 10$$

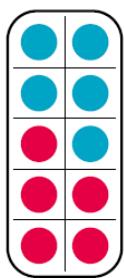

$$8 + 2 = 10$$

$$7 + 3 = 10$$

$$6 + 4 = 10$$

$$5 + 5 = 10$$

Je sais que  $9 + 1 = 10$   
 ↳ donc je sais aussi que  $10 - 1 = 9$  et  $10 - 9 = 1$ .
