

# SOUP

Vegetables in a basket:

Jill, Bill and Will are cooking three different soups. All the vegetables from the basket are used.

Bill, Jill and Will take four different vegetables to make their soup.

Jill, Bill and Will put the same amount of potatoes in their soup.

Will takes the same amount of carrots than Bill and Jill together. Bill takes more carrots than Jill.

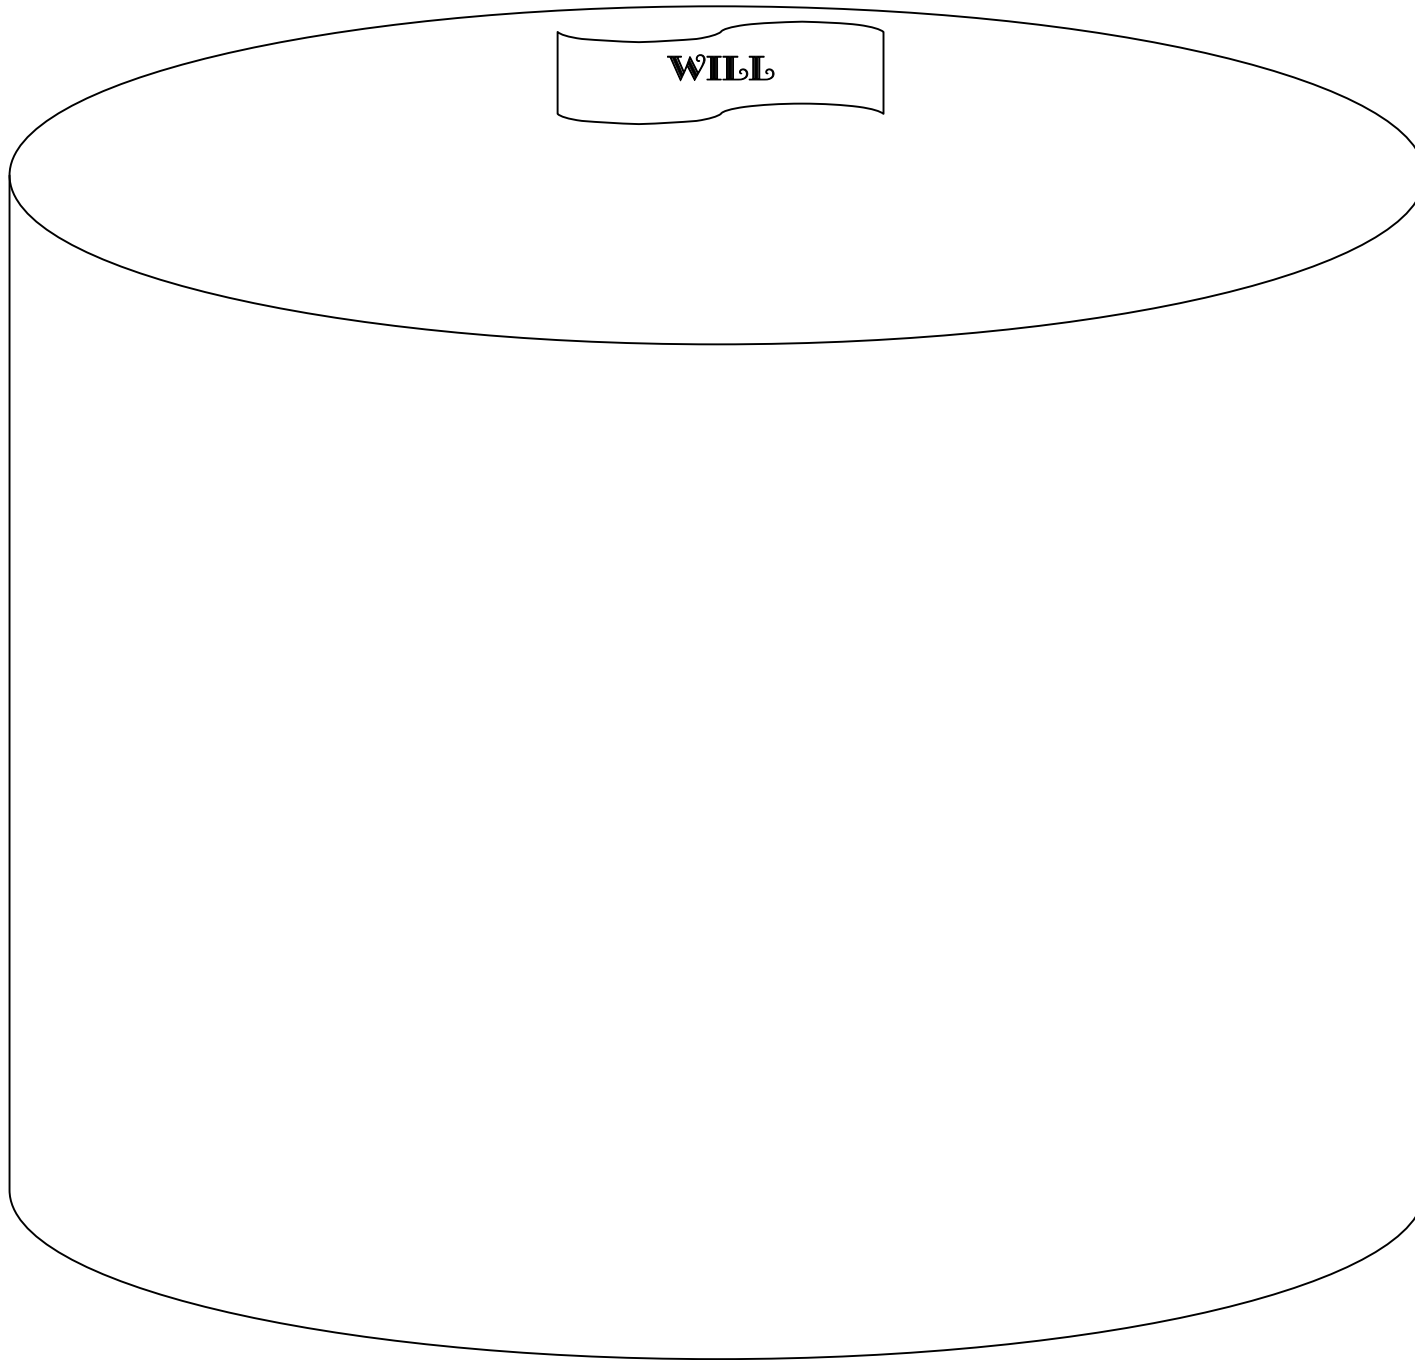

Bill loves cabbage.

Jill takes all the peas.

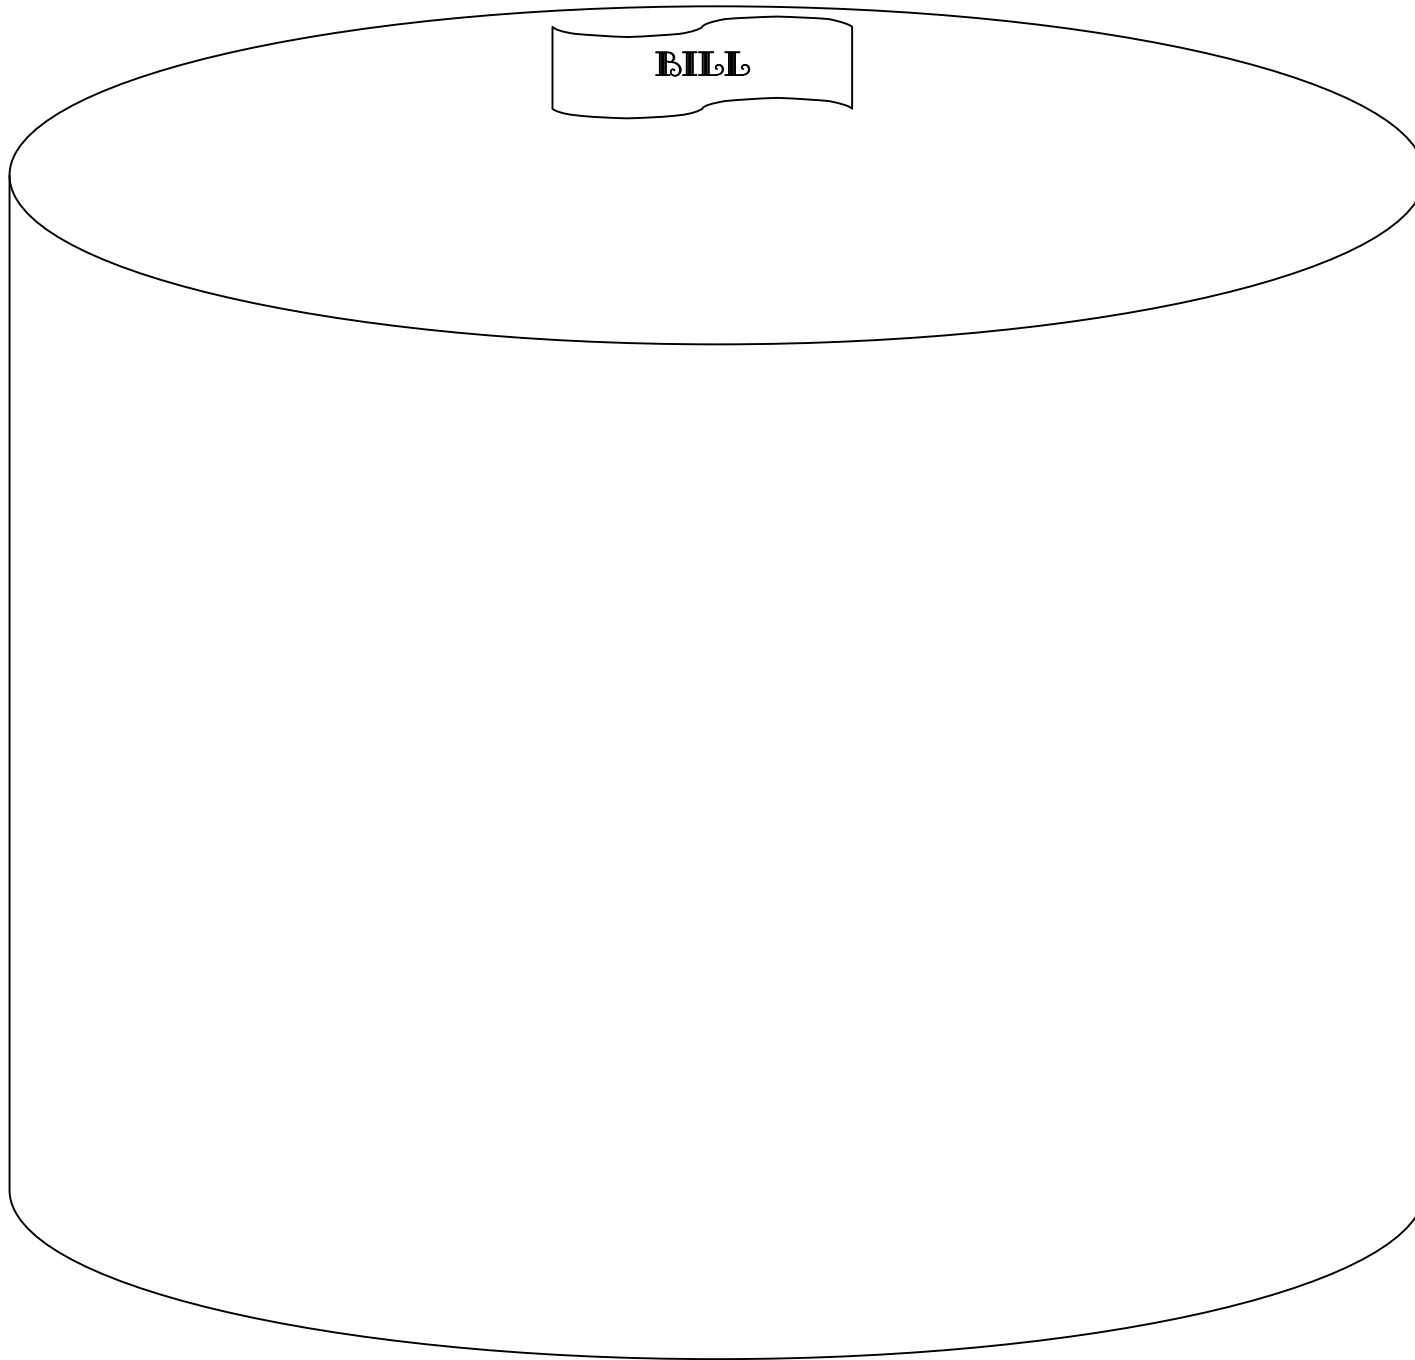

Jill, Bill and Will take a different amount of onions.

Will takes two onions. Bill takes more onions than Jill and Will. Jill takes fewer onions than Will.

Who takes the pumpkin?

**WILL**

**BILL**
