Hello

My name is Hannah, do you remember me ?

So, I'm 11 years old. I'll turn twelve on 15 / 12 / 2005. And you, when is your birthday ? What do you look like ?

I'm tall with green eyes and black hair. I often wear blue tops with grey trousers or grey skirts.

My hobbies are horse riding and reading in my bedroom and I'm a fan of Beyoncé. Have you heard of her ? She's my favourite singer . She sings fantastic "R'n'B".

I love her long black hair and her large brown eyes. She's lovely.

She started singing at church and she makes films too. Beyoncé's success is a family affair. Her father is her manager ; her mother is her stylist. She's got a sister who is seventeen.

And you, who are you a fan of ?

Please write back soon.

Love
