I looking for ~~the~~ how much Mark earn last week

$$\textcircled{1} 47 + 57 + 67 + 37 + 17 + 27 = 252 \text{ cows}$$

$$3000 \times 252 = 756 \text{ 000 } \pounds$$

$$\textcircled{2} 29 + 49 + 39 + 19 + 59 + 69 = \del{206} 264 \text{ pigs}$$

$$\del{206} \times 120 = 31 \text{ 680 } \pounds$$

264

$$\textcircled{3} 25 + 22 + 26 + 22 + 23 + 27 = 145 \text{ horses}$$

$$145 \times 2200 = 319 \text{ 000 } \pounds$$

$$\textcircled{4} 92 + 62 + 42 + 82 + 52 + 72 = 402 \text{ sheep}$$

$$402 \times 350 = 140 \text{ 700 } \pounds$$

$$\textcircled{5} 31 + 71 + 91 + 81 + 61 + 41 = 376 \text{ goats}$$

$$376 \times 400 = 150 \text{ 400 } \pounds$$

$$\text{Mark earn } 1 \text{ 397 780 } \pounds$$
