## 

One day, five mothers went to the zoo with their children: Mrs. Brown, Mrs. Turner, Mrs. Smith, Mrs. Jones and Mrs. Robinson with Alan, Tom, David, Mary and Ann.

Alan, Tom, David, Mary and Ann have their favourite animals: elephants, giraffes, tigers, gorillas or parrots.
Alan, Tom, David, Mary and Ann had a snack: one ate a doughnut, one ate cotton candy, one ate a hamburger, one ate an apple and one ate popcorn.

Alan, Tom, David, Mary and Ann got something from the gift shop: one got a memory game, one got a colouring book, one got a poster, one got a soft toy and one got a bag.

Read the clues and find out about each one: name, surname, favourite animal, gift and snack.

Use the grids, the labels, anything to help you solve the puzzle!
