

This is the witch:

The witch has got 3 black cats:

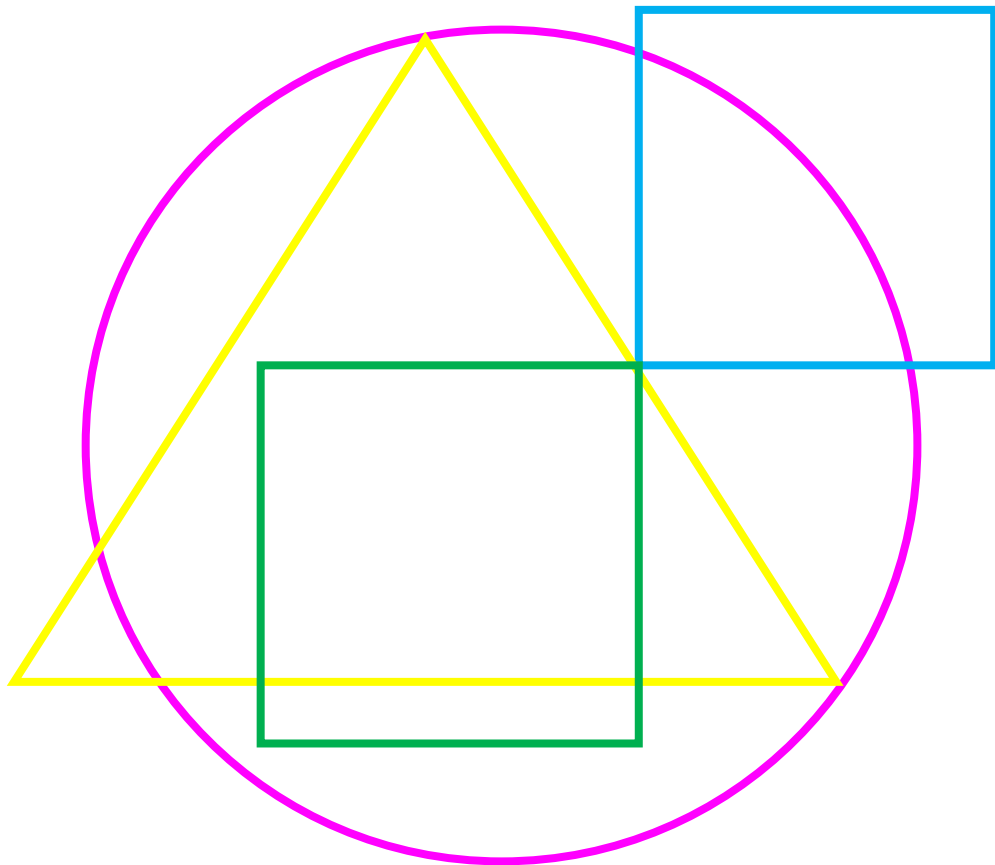

The witch has got 4 pumpkins:

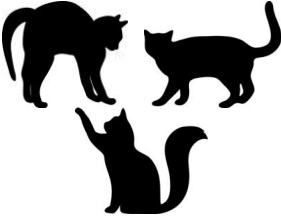

The witch has got a cauldron:

This is the floor in the witch's kitchen; there are coloured shapes on the floor:

Where is the witch? Where are the 3 cats? Where are the 4 pumpkins? Where is the cauldron?

Listen to the clues and find them!

			
<p>The witch is in the circle.</p>	<p>The three black cats are in the circle.</p>	<p>The four pumpkins are in the circle.</p>	<p>The cauldron is not in the circle.</p>
<p>The witch is in the triangle.</p>	<p>The three black cats are in the triangle.</p>	<p>The four pumpkins are not in the triangle.</p>	<p>The cauldron is not in the triangle.</p>
<p>The witch is in a square.</p>	<p>The three black cats are not in a square.</p>	<p>The four pumpkins are not in a square.</p>	<p>The cauldron is in a square.</p>

Bonus question:

There is a spider in the witch's kitchen: tell me where the spider is...

Record your clues, send me an MP3 file and I'll find the spider!
