

## DEFI MATHS GS – ANGLAIS – DEFI PLUS : COLOURS

### HAPPY FAMILIES (sept familles)

- Shuffle the cards and distribute five cards to each player.
  - *“One, two, three, four, five.”*
- Put the rest of the cards in the middle.
  - *“This is your draw pile.”*
- You must put together as many families as possible.
- Ask another player (whoever you want) for a card you need in order to complete a family.
  - *“It’s your turn.”*
  - *“Have you got the yellow shoes?”* . Ici s’en tenir à *“The yellow shoes, please.”*
- If this player has got the card, he or she must give it to you.
- If this player doesn’t have the card you asked for, draw a card from the draw pile.
  - *“Take a card from here.”*
- It is now the next person’s turn (go clockwise).
- The player who puts together the most families wins.
  - *“You won!”*

### D’AUTRES FORMULATIONS UTILES

- (UK) Have you got...? Yes, I have/No, I haven’t.
- (USA) Do you have...? Yes, I do/No, I don’t.
