Merry Christmas!: Absolutely crackers!

I am going to make my own Christmas crackers for my family.

I need hats, small cards with jokes, small things (called novelties), and cracker snaps of course.

I've got three colours of hat: red, yellow and blue:

I've got four types of novelty: key holder, spinning top, miniature torch lamp and whistle:

I've got four different types of joke cards:

I've got enough to make 50 Christmas crackers.

Can I make 50 different Christmas crackers?

About the jokes : ce sont en général des blagues type « Carambar » avec des jeux de mots faciles.

What did one snowman say to the other snowman?

Do you smell carrots? Because their noses are carrots, of course.

How does a snowman travel? By – Ice – Cycle! Because these are icycles :

What falls at the North Pole but never gets hurt? Snow, of course.

What is the best thing into put in a Christmas cookie? Your teeth, to eat the cookie, of course!
