

How many steps are there to go to my house?

The wolf! How many steps are there to go to the house made of wood?

How many steps are there to go to my house?

The wolf! How many steps are there to go to the house made of bricks?

There are 120 steps to my house.
Where is my house?

I am the wolf. I am clever.
I always find the shortest way...

How many steps are there to go to the house
made of straw?

How many steps are there to go to the house
made of wood?

How many steps are there to go to the house
made of bricks?
