

How many steps are there to go to my house?

The wolf!
How many steps are there to go to the house made of wood?

How many steps are there to go to my house?

The wolf!
How many steps are there to go to the house made of bricks?

There are 25 steps to go to my house. Where is my house?

I am the wolf. I am clever.
I always find the shortest way...

Yummy! One little pig!
The house is made of straw!
How many steps are there to go there?

Yummy! Two little pigs!
The house is made of wood!
How many steps are there to go there?

Yummy! Three little pigs!
The house is made of bricks!
How many steps are there to go there?
