

## DEFI MATHS ANGLAIS CE2

### Dinner time!

Three couples have dinner tonight. They sit at the table like this:

This is what we know:

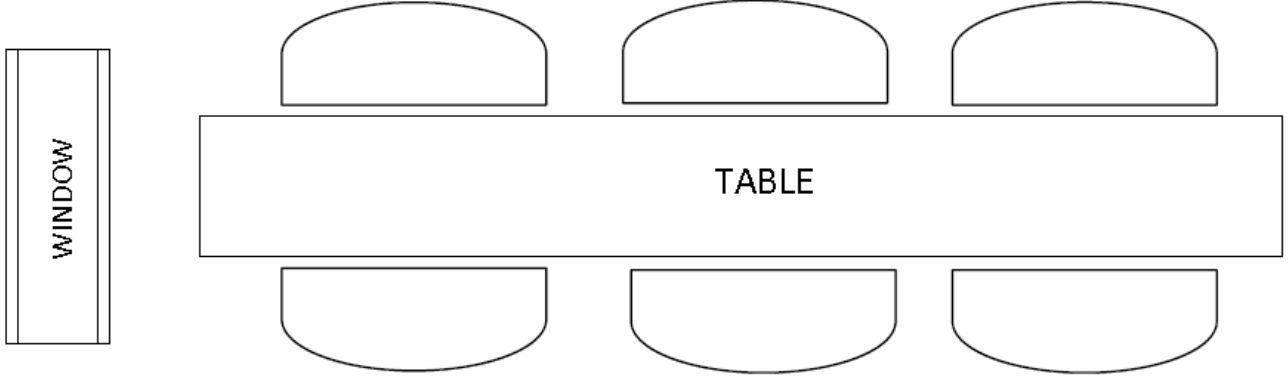

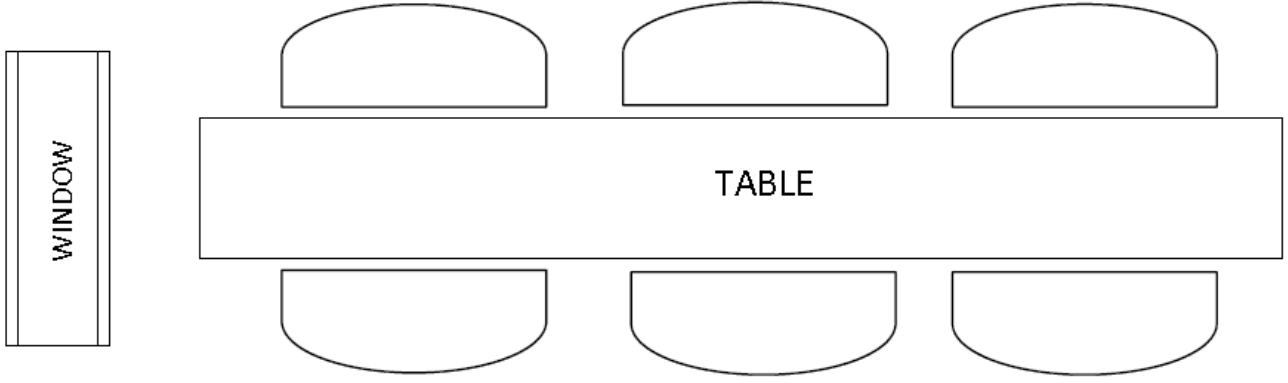

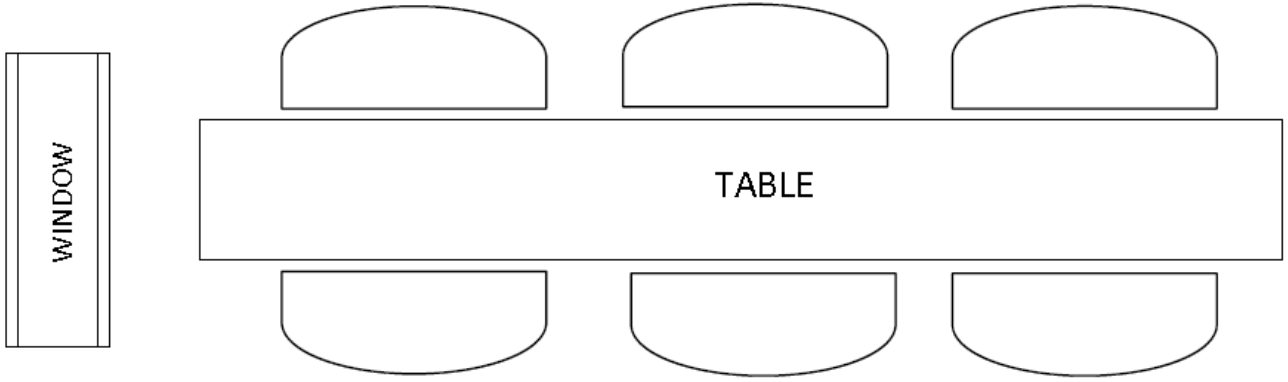

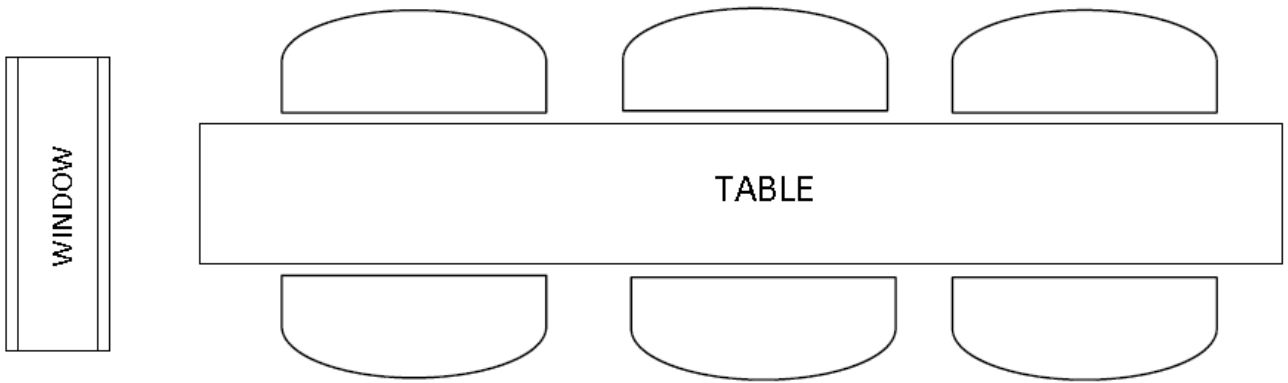

- No man is next to another man;
- No man is sitting next to his wife or facing his wife;
- Mr Jones isn't next to Mrs Robinson, and he isn't facing Mrs Robinson;
- Mrs Robinson likes Mrs Gordon, she is sitting next to her;
- Mr Gordon isn't sitting next to the window.

Find out where everyone is sitting.

Cut out the labels and try!
