

## IT'S CHRISTMAS

It's Christmas, it's snowing  
And everybody is going  
To have fun  
The party's (has) just begun.

It's Christmas, get singing  
For Santa Claus is bringing  
Lots of toys  
For all the girls and boys.

It's Christmas with holly  
Some mistletoe and jolly  
Games to play  
When friends go round to say  
Happy Christmas Day
