

I'M A LITTLE CHRISTMAS CRACKER

I'm a little Christmas cracker
Hanging on a Christmas tree
I'm a little Christmas cracker
I'm as happy as I can be

Christmas time is coming
I've waited oh so long
I'm a little Christmas cracker
And I'm singing my Christmas song

Tra la la la la Tra la la la la
Singing my Christmas song all day
Tra la la la la Tra la la la la
Santa is on his way

I'm a little Christmas cracker
Hanging on a Christmas tree
I'm a little Christmas cracker
I'm as happy as I can be

I'm a little Christmas cracker
Hanging on a Christmas tree
I'm a little Christmas cracker
I'm as happy as I can be

Christmas time is coming
I've waited oh so long
I'm a little Christmas cracker
And I'm singing my Christmas song

Tra la la la la Tra la la la la
Singing my Christmas song all day
Tra la la la la Tra la la la la
Santa is on his way

I'm a little Christmas cracker
Hanging on a Christmas tree
I'm a little Christmas cracker
I'm as happy as I can be

Won't you just sing along with me?
