

## Colours!

Look at the British flag:

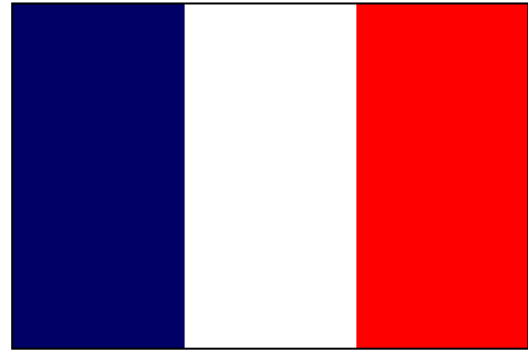

It's red, white and blue.

Look at the American flag:

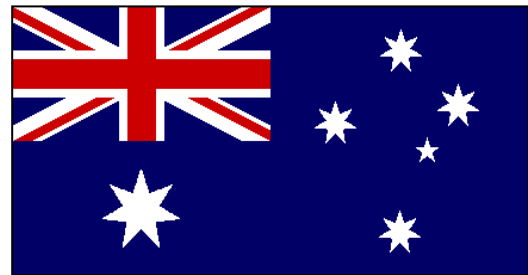

It's red, white and blue.

Look at the French flag:

It's red, white and blue.

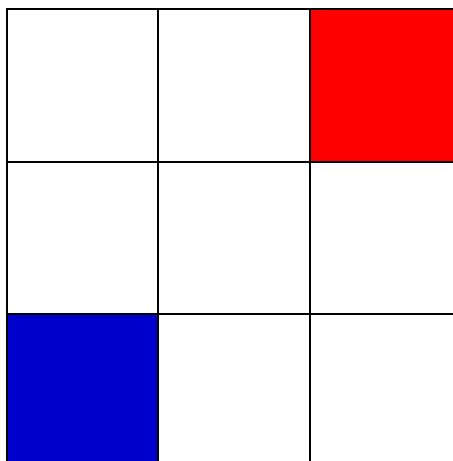

Look at the Australian flag:

It's red, white and blue.

Colour the boxes in red, white and blue:

- Two boxes next to each other can't be the same colour,
- Each colour has to be used three times: there are three red boxes, three white boxes and three blue boxes.

There are five solutions, find them all!
